When Ordering Your Exams

When registering online, please enter your information carefully. This data will be printed for you on your AP answer sheet for testing. For best results, use a computer rather than a phone.

Use your full name. If you are called B.J., but your whole name is Brandon Jones, be sure to put in as many letters of your full legal name as will fit in the allotted spaces.

Type your address like this: 4900 Radio Drive Apt #2 Not like this: 4900radiodrive#2

If you are not sure of your parent's education level, don't fret. Answer what you can. The information is gathered just for research purposes. It doesn't affect the scoring of your exams.

When you select your exam, choose both the exam and your trimester 2 instructor / period. See the graphic.

To complete registration, students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Please be sure to have a **credit card or debit card available before beginning registration.**

Contact Mrs. Beth Salmon, esalmon1@sowashco.org, if you have any questions.

Taking the Advanced Placement exams is an important part of all AP courses. East Ridge High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.
