Grading and Ranking Procedures

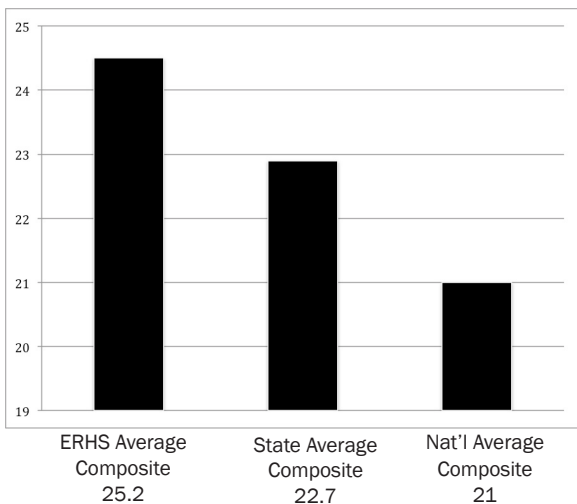

GPA is based on marks earned in grades 9-12. All courses for which the student receives a grade A - F are included in the GPA. Pass grades are not included in the GPA, but do count for graduation credit (a max. of two credits per year may be taken with the pass/no credit option).

Grades for Advanced Placement, Project Lead the Way, College-in-the-School, and University of Minnesota Talented Youth Math Program (UMTYMP) will receive a weighted grade using a 1.2 multiplier. For example, an A in a weighted course would be equal to a 4.8 towards the students GPA.

A= 4.0	C+= 2.333	D-= 0.667
A-= 3.667	C= 2.0	F= 0.00
B+= 3.333	C-= 1.667	P= Pass
B= 3.0	D+= 1.333	N= No Credit
B-= 2.667	D= 1.0	

East Ridge High School no longer provides class rank. Information indicating a class rank using either the academic or all-subject grade point averages will not be issued internally or externally to staff, students, parents, or other academic institutions or agencies.
