Grading and Ranking Procedures

GPA is based on marks earned in grades 9–12. All courses for which the student receives a grade A–F are included in the GPA. Pass grades are not included in the GPA, but do count for credit (a maximum of two credits per year may be taken with the pass/no credit option).

Grades for AP, PLTW and CIS courses will receive a weighted grade using a 1.2 multiplier (i.e. A = 4.8).
