

If applying using Send Edu:

- Set up a meeting with your counselor and bring the following to the meeting: a copy of your essay/ short response questions, copies of other letters of recommendations (if you have them), and your recommendation form (identifying activities, recognitions etc.) Recommendation forms are available in the guidance office or on the ERHS website at [Counseling/Current Students/Seniors](#).
- Please bring a stamped, self addressed envelope to your counselor so they can mail in their portion of the application and their letter of recommendation.
- Please check to see if this school also accepts Common App. Many do, and if you are also applying to another Common App school, you will save yourself time and effort, by just doing the Common App. A comprehensive list of schools is listed on the Common App site.
